

# Grow your business with RainCity Partnerships!

RainCity Partnerships is a new program that will produce \$4 million of bid opportunities for small, diverse businesses to design, build, and maintain green stormwater infrastructure (GSI) projects such as rain gardens, cisterns, and green roofs.

## What's in it for you?

- \$4 million of GSI project bid opportunities.
- Project opportunities between 2025 and 2029.
- Industry guidance on how to win this work.
- Customized business mentorship.
- Work in the growing GSI sector.
- Free business marketing through program promotions.
- Meet other business leaders for collaboration.
- All at no cost to you.

Attend our in-person

**information session**

on

**November 14**  
**4-6 p.m.**

## Who are we looking for?

Small, women- and minority-owned businesses that provide one or more of the following services:

- Landscaping
- Erosion and sediment control
- Earthwork
- Tree planting
- Utility installation
- Native plants
- Plumbing
- Other specialties related to GSI construction

RainCity Partnerships is a collaboration between Seattle Public Utilities and Corvias Infrastructure Solutions (CIS) that supports community-driven green stormwater infrastructure (GSI) improvements throughout Seattle. Our goal is to meet Seattle's climate goals while strengthening our local economy.

## Get Involved

Attend our in-person event on Thursday, November 14, from 4 to 6 p.m., where you can connect with other small and WMBE business owners and hear about upcoming opportunities.

**When:** Thursday, Nov. 14, 2024, 4-6 p.m.

**Where:** Corvias Infrastructure Solutions (CIS)  
616 South Lucile St.,  
Seattle, WA 98108
